WELCOME

Solway Yacht Club invites you to join us for a weekend of wonderful sailing in a great environment and in a setting of outstanding natural beauty. The weekend consists on Saturday of the Lakeland and Border Grand Prix for the Lasers combined with Open Meetings for the Finn, National 12, Streaker, Monohull Fast and Medium Handicap Classes who also have races on the Sunday, and which we hope some of the Lasers will stay for. We hope we will be able to hold the event “normally” while complying with the Scottish covid regulations likely to still be in force. If the covid regulations force us to cancel racing when in normal circumstances we would have proceeded, a partial or complete refund of entry fees will be made.

Unless a class fleet is large enough to justify a separate start, the Open Meeting classes will race in either the Monohull Fast or Medium Handicap fleets and have their results extracted to produce class results.

The sailing area (see chart below) is a wonderful scenic estuary entering the Solway Firth. Racing for dinghies takes place in the more sheltered area stretching from where the river begins to open out to the fringes of the Solway Firth. The estuary gives competitors the exciting experience of sea sailing but in an area sheltered from the strongest winds. Tides and currents add to the mix. The large and comfortable clubhouse is in an elevated position with views over to Glen Isle, but access may be restricted due to covid. The Club site has a large boat park and offers excellent launching from pontoons and a large slipway. Because of the tides, timings are crucial and racing is run to a tight schedule.

ACCOMMODATION & PARKING

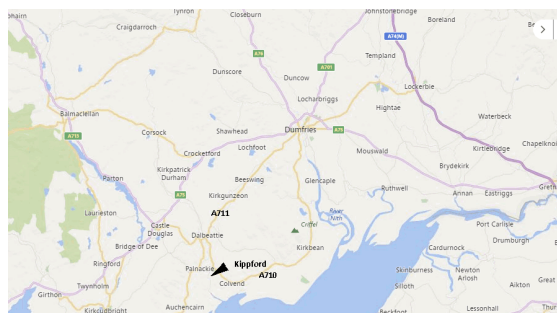

There are many hotels and boarding houses within easy walking or motoring distance as well as caravan, camping and holiday chalets nearby, but early reservations are advised.

There is limited car parking space at the club site and the public car park. However, please respect local businesses' interests. For the safety of competitors and spectators, vehicles may not be driven onto the pier area and boat park other than to drop off or collect boats.

CATERING & BAR

The Club hopes to be able to offer catering and bar facilities, and will do so if the covid regulations allow.

HOW TO FIND US

Kippford lies to the south of Dalbeattie along the A710. From the west, follow the A745 and then the A711 from Castle Douglas to the boundary of Dalbeattie. From the north or east, follow the A711 from Dumfries until the far end of Dalbeattie.

For both, now take the A710, which is signposted “Solway Coast”. Follow this road for around 3 miles and then turn right at a sign for Kippford (also mentions sailing and golf). The clubhouse is just before the foot of the hill on the left and the boat park is on the right just round a sharp left corner.

CONDITIONS

1. The meeting will be open to all Lasers as per the Lakeland and Border Grand Prix protocols. For Finns, National 12s, and Streakers, all boats meeting their class association rules are eligible to enter. The Monohull Fast and Medium Handicaps will be open to boats with a class certificate and a PY Number between 900 and 1208 with the split decided once entries have been received. The Laser, Finn, N12 and Streaker fleets will be given separate starts if they have 10 or more entries. Otherwise, at the discretion of the Race Officer they may be asked to start with the appropriate Fast or Medium Handicap. Class fleet boats will also be eligible for prizes in the appropriate handicap fleet, assuming that they have sailed the same length of course. Flying Fifteens will be eligible to sail in the Fast Handicap.

2. The racing will be governed by the Racing Rules of Sailing (RRS) 2021 - 2024, the event Sailing Instructions and the relevant class association rules. The Advisory Hearing and RYA Arbitration of the RYA Rules Disputes procedures shall apply (for information on the procedures, go to www.rya.org.uk/go/rules). The outcome of an RYA Arbitration can be referred to a protest committee, but an arbitration cannot be reopened or appealed.
3. The entrant will be deemed to be the helmsman named on the entry form.
4. Changes of boat must be notified in writing and will require the approval of the Principal Race Officer or Club Sailing Secretary prior to commencement of the series.
5. During the series the crew may be swapped if notified in writing and with approval of the Principal Race Officer prior to commencement of the race. Helms as indicated on the entry must always be part of the boat's crew.
6. Personal buoyancy must be worn by all competitors. Boat buoyancy may be subject to scrutiny. A suitable painter or tow rope of at least 5 metres must be carried on all boats to facilitate towing and rescue.
7. For the National 12s, the results will be calculated using the PY numbers allocated by the N12 Class Association for different boat categories. Flying Fifteens will use their Gold, Silver or Classic PYs.
8. A tally system will be used to ensure all competitors return safely after racing. All competitors are obliged to use the system and to cooperate fully with its requirements.
9. Dogs should be kept on a leash at all times on the Club premises and pier.
10. Car numbers should be kept to a minimum and should be parked in club or public car parks and are not allowed onto the boat park once the series has started other than to deliver and collect competing boats.
11. Entry and Consent form must be completed online. In addition, where the competitor (helm or crew) is under 18, a paper copy must be completed, signed by the parent or guardian and delivered to the Club Race Office prior to or at the Briefing on the Saturday.
12. Any alterations to these conditions or other details of this entry form shall be at the sole discretion of the Commodore and Race Committee of Solway Yacht Club.
13. It is hoped that competitors will be able to use the Club changing rooms and showers if the covid regulations permit doing so, although toilet facilities will definitely be available.

RACING PROGRAMME

Day	Date	Briefing	Warning 1 st Race	HW
Saturday	12 th June	10.15	12.10	13.40
Sunday	13 th June		12.50	15.20

Warning times shown are the times of the warning signal at the Start Line. Sailors should be aware that it can take some time to reach the racing area. Please ensure boats are launched in sufficient time. In the event of light winds, tows may be available to help competitors reach the starting area, hence the need for carrying suitable tow ropes/painters.

Subsequent races in a day will start as soon as practicable after the end of the previous race.

It is hoped to run 3 races on the Saturday and 2 on the Sunday, but conditions may not make this possible. If, as is planned, a Committee Boat is used it is hoped that the first start and last finish will be close to the Starting Hut but conditions permitting, other starts and finishes may be in the vicinity of Rough Island or beyond.

PRIZES

At the discretion of SYC and dependent on numbers, prizes may be awarded to the leading boats in each fleet.
