### **RYA Risk Statement**

*Rule 4 of the Racing Rules of Sailing states: "The responsibility for a boat's decision to participate in a race or continue racing is hers alone." Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:*

- They are aware of the inherent element of the risk involved in the sport and accept responsibility for the exposure of themselves, their crew, their boat and their other property whilst taking part in the event;*
- They are responsible for the safety of themselves, their crew, their boat and their other property, afloat or ashore;*
- They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;*
- Their boat is in good order, equipped to sail in the event and they are fit to participate;*
- The provision of a race management team, patrol boats and other officials and volunteers by the event organizers does not relieve them of their own responsibilities;*

*The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.*

The club entrance is beyond "Tibbie Shiels Inn". Please drive slowly. Please leave gate as you find it and keep to the 5mph speed limit through the sailing club grounds.
